

Wearable Art

Artiscape - Lo Gophobia - Presidential Ball

P, 2, 1:55.4; 3, 1:50 (\$226,040)

Early stakes winning 2-year-old, winning a NJ Sire Stakes division and placing second in the \$175,000 final – pacing his final quarter in 26.2. Won the \$225,000 Berry's Creek final in a stakes-record 1:50 at 3 before an injury shortened an ultra-promising career. One look and you'll be sold...he's a big, powerful and gorgeous Artsplace-Cam Fella line stallion from a prominent maternal line.

What truer testament to this great colt's ability as a sire than both these top drivers breeding their own mares to Wearable Art.

"A highly, highly talented colt with a star's presence. I only had the privilege of driving him twice, but he truly impressed me. He's a strong, powerful pacer with a gorgeous gait – a real pleasure to drive. You just don't see horses like this."

- Luc Ouellette

"He was the best 3-year-old of his generation before his injury."

- Ron Pierce
